Excerpt from The Frequent World Savers Club script (Neverwinter Nights Mod)
By Josiah Lebowitz

Hero: "Let's see, what would be a good way to save the world… I know!!! I'll convince myself not to become an evil super villain and take over the world, thereby saving the world from the terror of my dark reign!"

Henchman: "Uh, say what?"

Hero: *Talking to himself Golem (Lord of the Rings) style.* "I must not give in to the dark side! I'm destined to save the world, not destroy it!
Save the world? What a waste of time! Heroes are lame. Villains are the ones who have all the fun.
Fun? Who needs fun? If I become a hero I get a free pizza! Free pizza!!!
Oh wow, one free pizza, yippee. If I become evil I can have a personal army of slaves who will make me all the pizza I want!
But… Actually that's a pretty convincing argument…
It is isn't it?"

Player Choice:
1. Wait... Is this a trick?
2. Why should I listen to you?

Choice 1:
Hero: "*Of course it's not a trick. Why would I want to trick myself?*
I don't know. How do I know you're even me? Maybe you're just pretending to be me to trick me!
Huh?
If you're really me than prove it! What's my favorite way to skin a cat?
Uh, I, we, don't skin cats.
Correct! But, then again, if I was an imposter, I'd be sure to research my own cat skinning preferences before impersonating myself… Gah! I don't know what to think anymore!

Choice 2:
Hero: "You're just a voice in my head. I don't have to take orders from you.
Yes you do.
No I don't!
Yes you do!
No I don't!!!
Yes you do!!!
NO I DON'T!!!
YES YOU… Ugh, will you just shut up and do what I say already? You'll regret it if you don't.
Oh really? What are you going to do? Think menacingly at me?
Well, I, er…let's try a different approach."
